Professional Summary

I'm a YouTube content creator since 2019 with **24.5K+ subscribers** and strong expertise in **video production, editing, and social media strategy**. Currently working as a **Senior Editor at AdornTalks Podcast**, where I lead a team of 10+ editors. I specialize in both **long-format podcasts** and **short-form reels** in trending styles. I've made a noticeable difference in content quality and driven measurable **8x growth** in the channel's performance — across subscribers, views, engagement, and revenue.

WORK EXPERIENCE

AdornTalks Podcast, New Delhi

2024 – Present

Senior Editor

- Drove significant overall growth, taking the channel from **78K to over 648K subscribers** — achieving **8x growth** in overall performance, including major increases in views, engagement metrics, and revenue.
- Lead and mentor a team of **10+ editors**, maintaining high creative standards and ensuring smooth, consistent production across all content.
- Boosted average video performance, helping views grow from thousands to millions by refining editing style, visual appeal, and content strategy.

EDUCATION

Bachelor of Science (B.Sc.)

2020 - 2023

Open University

Diploma: Teaching and Management

2023 - Present

Nand Kishore Singh Degree College

PROJECTS

YouTube

2019 – Present

- Built and manage a YouTube channel with **24.5K+ subscribers**, creating content end-to-end — scripting, shooting, editing, thumbnails, and SEO strategy.
- Deep understanding of **content strategy, analytics, and algorithm trends**, helping achieve sustainable audience growth.
- Specialized in **trend-driven short-form content** and cinematic storytelling that enhances audience engagement and retention.

SKILLS

- Video Editing:** Adobe Premiere Pro (Advanced), After Effects (Intermediate)
- Design Tools:** Photoshop (Advanced), Canva (Advanced), Illustrator (Intermediate)
- Social Media:** YouTube SEO, audience analytics, content repurposing, short-form editing trends
- Production:** Camera operation, lighting setup, storytelling, pre-production planning

EXTRA CURRICULAR ACTIVITIES

In **2025**, I had the privilege to shoot and edit content for **World Para Athlete**, capturing their inspiring journey of resilience and excellence. From **pre-production to final edit**, I focused on crafting an emotional yet powerful narrative through visuals, colour, and sound. This project strengthened my skills in storytelling, cinematography, and editing, while deepening my passion for creating meaningful, motivational content.

ADDITIONAL DETAILS

Created and managed YouTube content **since 2019**. Shot and edited videos for **World Para Athlete (2025)**. Experienced in **Video editing, Graphic design, and Social media management** with a focus on storytelling and brand growth.
